

Genovese Blanc 2023

Golden yellow with green highlights in its youth. Expressive nose, with notes of flowers/white fruit in its youth. of the wine. Firm on the palate, with salinity, tension and good length. The grapes for this cuvée come from very stony soil, composed of fluvial alluvium from the Castagniccia schist massif. This cuvée is made from a rare old Corsican grape variety (a few dozen hectares in Corsica).
