

Stella Rose Blanc 2020

Appearance : Bright, pale yellow color. Nose : Complex aromatic nose, floral, buttery, menthol. Taste : Very good body with a fresh texture. Finish that extends... The wood, intended as a support and not an end in itself, disappears into the background to let the terroir speak for itself. The result is all the elegance and aromatic complexity of vermentinu processed in a large wooden barrel. A wine for table wine.
